PISSED OFF

A short film by Aviva Kempner

Pissed Off is being made by The Ciesla Foundation, a 501(c)(3) nonprofit organization. **All contributions are tax-deductible to the full extent permitted by law.** For the past 40 years, The Ciesla Foundation has produced documentary films that tell the untold stories of under-represented groups combating fascism, racism, anti-Semitism, and sexism. *Pissed Off* will further Ciesla's mission of bringing important stories to the forefront by focussing on the underpublicized struggles faced by female lawmakers in Congress who advocated for equal access to restroom facilities in their workplace, the United States Capitol. Using humor to discuss a serious feminist topic, our film will reveal the struggles faced by female Congresswomen in a male dominated environment.

The fundraising goal is \$393,000 – the amount needed to pay for production costs, the rights to archival material, post production, and distribution. With your tax-deductible contribution to The Ciesla Foundation, we can preserve the legacy of the female legislators who challenged how Congress, from its conception, was designed to exclude women both in participation and plumbing.
